DDI-4116-73

13 August 1973

MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT : Mandatory Classification Review

1. The attached document was among 11 documents forwarded to the Agency from the John F. Kennedy Library. Professor James MacGregor Burns of Williams College has requested that they be reviewed for possible declassification and release.

2. The author of the document is not revealed. It is being forwarded to your office for review because of the fact that [redacted] was serving in the Office of the DDI at that time. We understand that his title was Assistant to the DDI for NSC Affairs. [redacted] identity is not known to this office; presumably he was a British or Commonwealth journalist.

3. Please have an appropriate officer review the document and return it, along with your recommendations, to this office for further processing.

4. A Form 3533, which is used to compile data on Agency resources expended on the records declassification program, is also attached. Fractional manhours should be rounded off to full manhours.
